Mr. Weisberg

I would like your help in obtaining a couple of documents one is one page 143 of photographic whitewash it is on the Zapruder film to be use by the CIA also the spectrographic analysis papers that are in postmortem the document on page 507 of the same book.
Please let me know the price for copying these documents. so I may send you the money I tried writing to the Fbi for some all I get is letters saying they still are looking for them.
any help you can give I would be greatful

Sincerly
